

KEN PILS PHOTOGRAPHY

Ken Pils is a professional photographer based in Linköping, Sweden. His interest in photography kick-started when he got a brand new Kodak Instamatic on his 10th birthday. Today, Ken works with Sony gear and equipment.

Ken's focus is primarily on architectural, interior and lifestyle photography. His clean, precise and well balanced style is appreciated by a wide range of clients including architectural firms, publishers, hotels and resorts.

Ken is based in Linköping, Sweden and he shoots selected projects in Europe and Asia. His business concept is to photograph buildings, rooms and people. Ken's speciality is hotel- and resort photography.

Motto: "Simplicity, with an eye for detail."
